BROWNS ENGLISH LANGUAGE SCHOOL- HOMESTAY AGREEMENT

We have recently entered into or may soon enter into a homestay agreement with Browns, whereby we will offer a homestay service to students of Browns (and effectively become a Browns Homestay Family), in exchange for remuneration as set out pursuant to that agreement (“agreement”).

I/we hereby declare and confirm to you that we have entered into or are considering entering into a homestay agreement with Browns based on our own independent investigations and enquiries. I/we have not been contacted either directly or indirectly by a member of Browns to enter into the agreement, or discuss homestay arrangements, or for any other reason, before such time as we directly contacted Browns as a result of our own enquiries, with a view to entering into the agreement.

Furthermore, to the best of our knowledge, Browns has not disclosed to us any details of any arrangements between Browns and any other homestay provider.
